

How to Sign In to FamilySearch.org

1. In your web browser, go to FamilySearch.org.

2. In the top right corner click **Sign In**.

3. On the Sign In page, choose one of the Sign In methods, or enter your username and password and click **SIGN IN**.

If you have signed into the Church website, and you remember your church username and password, you will probably prefer **Continue with Church Account**.

A screenshot of the 'Sign In' page on FamilySearch.org. The page has a title 'Sign In'. Below the title are four buttons for social login: 'Continue with Facebook', 'Continue with Google', 'Continue with Apple', and 'Continue with Church Account'. A green arrow points to the 'Continue with Church Account' button. Below these buttons is an 'or' separator. Under the separator are two input fields: 'Username' and 'Password'. Below the password field is a link that says 'Forgot username or password?'. At the bottom of the form are two buttons: 'SIGN IN' and 'CREATE A FREE ACCOUNT'. At the very bottom, there is a small line of text: 'By clicking the Sign In button, I agree to the Terms of Use (Updated 2023-09-01) and have read the Privacy Notice (Updated 2021-04-06)'.

Depending on which method you choose, you may be prompted for your username and password.
