

# Which ancestor do you most resemble?

*NOTE: This activity requires use of your FamilySearch account.*

*You need to know your username and password and have your deceased ancestors linked to your family tree.*

*You can do this activity on a phone or computer. A photo of the person of who you will want to compare can be taken using the camera or will need to be uploaded on the device.*

**STEP 1: Go to the website [familysearch.org/discovery](https://familysearch.org/discovery).** (On a phone, open your browser (Safari, Google, etc.) and go to this website. It is not completed in the app.)

**STEP 2: Click Compare-a-Face.**

**STEP 3: Sign in to your FamilySearch account.**

You will be prompted to sign in to your FamilySearch account which is the same username and password for your church account.

Click the Sign In button.

### Compare-a-Face

Compare your face to your relatives' faces, and see whom you most resemble.

### Disclaimer

×

Your photo will be sent to a third-party facial recognition service, which will compare your face to the faces of deceased famous persons. That third party will not retain your photo or facial data or share it with anyone else. Your facial data will be used to provide you with comparison results and will not be retained after you complete the experience.

## STEP 6: Add your image and get the result!!!

### Select an Image to Begin

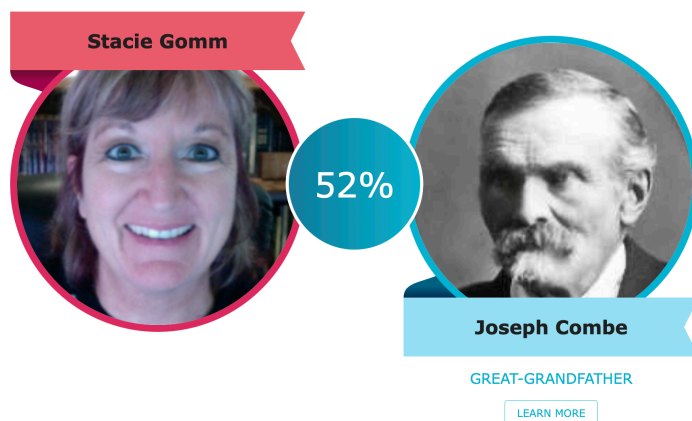

You will be prompted to choose your image. This can be done by uploading a photo or taking a photo if your computer has a camera.

[TAKE A NEW PHOTO](#)[UPLOAD A PHOTO](#)

If you have a photo on your computer or phone, click “Upload a Photo” and choose the file containing the photo.

If you want to take a photo, click “Take a New Photo”. You will be prompted to give permission for the browser to access the camera. Click OK or Allow.

Once you do add your image by file or camera, the results of the comparison will display.

Repeat these steps for the younger members of your family who cannot have a FamilySearch account.

Parents, you can use your account and use or take a photo of your children for this activity. It would be fun for both parents to try this with each child and see which side produces the greatest match.
